*I understand that completion of this form does not insure my acceptance into an Honors course. Final placements into Honors-level courses are made by the Department Chairperson after review of end-of-year grades and recommendations.*

Honors Courses require:

- A **minimum** B+ semester average in subject area and related area, unless otherwise specified by Department
- Active participation in advanced level class work.
- Taking initiative in independent study.
- Spending more time on class assignments and homework.
- Prompt completion of all assignments by due dates.

I have read the requirements for this AP course and request permission to enroll in:
