Appointment to a Production Staff Position requires more time than ordinary participation in Club activities. You will be expected to lead by example. Students who receive positions but who fail to supply proper leadership in production activities will be removed from that position and placed on probation (see page 5). In addition to the regular job duties, you will be required to fundraise a minimum of \$50 worth of ad sales in support of the production. Please sign your name if you agree to the above requirements.

I will be respectful to the production staff and to all other individuals connected to this production and will perform all of my duties to the best of my abilities. When my best is not good enough, I realize that I may be removed from this position. I realize that this appointment brings with it both honor and responsibility. I will act honorably in this appointment.
